

## Capabilities Statement

5500 W. Park Ave., St. Louis, MO 63110 | [www.tarltoncorp.com](http://www.tarltoncorp.com)

**TARLTON CORPORATION** is a WBENC-Certified Women's Business Enterprise employing 250 people and providing general contracting, preconstruction, construction management, and design-build services in the Midwest since 1946. We are relationship-driven and believe that diversity, inclusion, sustainability and engagement are key components to the success of our industry and community.

- Annual Revenue: \$200 million +
- Exceptional Client Service
- Project Range: \$100,000 to \$200 million
- Building Opportunities for MBE, WBE & DBE Businesses

Tarlton safely and successfully constructs new buildings for specific purposes; renovates existing spaces including offices, laboratories, healthcare facilities, university buildings, data centers, power & energy plants, industrial/manufacturing floors, and water/wastewater facilities; completes heavy civil and concrete construction; restores concrete structures and parking garages; and provides ongoing facility maintenance.
